This program may result in freelance or self-employment.

- The work available to graduates of this program is usually for freelance or self-employment.
- This type of work may not be consistent.
- The period of employment can range from one day to weeks to several months.
- Hours worked in a day or week may be more or less than the traditional 8 hour work day or 40 hour work week.
- You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills.
- Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed as such so that they may be counted as placed for our job placement records.
- Students initially this disclosure understand that either a majority or all of this school's graduates are employed in this manner and understand what comprises this work style.

**Student's Initials:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Initial only after you have had sufficient time to read and understand the information.**

**License Examination Passage Rates (Includes data for the two calendar years prior to reporting)**

First Available Exam Date	Date Exam Results Announced	Number of Graduates in Calendar Year	Number of Graduates Taking Exam	Number Who Passed Exam	Number Who Failed Exam	Passage Rate
2016	0	0	0	0	0	0
2017	0	0	0	0	0	0

Licensure examination passage data is available from the state agency administering the examination. Therefore the Institution is able to collect dates from the number of Graduates.

Note to the Bureau from the Institution – Upon the Bureau’s approval for the Institution to operate and having students who have graduated and obtained Licensure, the Institution will be able to provide dates and data to enrolling students and the general public.

Student’s Initials: \_\_\_\_\_ Date: \_\_\_\_\_

## **STUDENT'S RIGHT TO CANCEL**

**STUDENT'S RIGHT TO CANCEL:** The student has the right to cancel the Enrollment Agreement and obtain a refund of charges paid through attendance at the first class session (first day of classes), or the seventh day after enrollment (seven days from date when Enrollment Agreement was signed), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the CAO/Campus Director's Office. A withdrawal may be initiated by the student's written notice or by the institution due to student's academics or conduct, including, but not necessarily limited to, a student's lack of attendance.

**REFUND POLICY:** After the cancellation period, the institution provides a pro rate refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has lapsed (including absences), there will be no refund to the student.

A Registration fee of \$100.00 is a non-refundable item. Equipment, books, supplies, tools, uniforms, kits and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

If you cancel the Agreement, the school will refund any money that you paid, less any deduction for Registration fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount you have paid is more than the amount you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. If the amount you owe is more than the amount you have already paid, then you will have to arrange with the institution to pay that balance. Official withdrawal date is on the student's notification or school's determination.

### Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduate who, after graduation, dies, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six monthsperiod begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program. Page of

- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.
